November 2026

Dear Parents & Carers of Year 11 Students

Invitation to Year 11 Progress Evening – Tuesday 15 December 2026

We are pleased to invite you to the Year 11 Progress Evening on **Tuesday 15 December 2026**, from **4:30pm to 6:30pm,** at Appleton Academy. This is a crucial event in your child's GCSE pathway, and we strongly encourage all parents and carers to attend.

During the evening, your child will receive an envelope containing their mock exam grades, which will include not only their exam results but the predicted grades they will need for college. The progress evening will provide valuable insight into your child's current progress and help to identify the next steps needed to maximise their success in their upcoming final examinations. You will also have the opportunity to meet with key members of staff, who will answer any questions you may have, discuss your child's progress, and recommend additional support strategies.

Appointments with staff can be booked through our online appointment system, which you can access using the Arbor Parent App or website, and we encourage you to secure appointments promptly to ensure you can meet with the staff you wish to speak to.

We look forward to welcoming you into school for this important event. If you are unable to attend for any reason or have any immediate questions or concerns, please contact us via email at info@appletonacademy.co.uk.

Thank you for your continued support in ensuring the best possible outcomes for your child.

Yours faithfully

Mr Bellwood
Head of Year 11
